EDUCATION

STI COLLEGE

Bachelor of Science in Information Technology
2020-2024

CERTIFICATION & TRAININGS

- Selenium using Java (2025)
- Cypress Test Automation Fundamentals (2025)
- Tricentis Tosca Fundamentals (2025)
- Katalon Studio Basic (2025)
- Hybrid Robot Framework with Eclipse (2025)
- Agile Testing School (2025)
- Introduction to Accessibility Testing & WCAG (2025)
- UIPath Automation (2025)
- HP LoadRunner (2025)

TECHNICAL SKILLS

- Manual and automation testing
- Test case design, execution, and reporting
- Bug identification and basic debugging
- Selenium, Cypress, Tosca, Katalon, TestNG
- Jira, Git, and GitHub
- Agile/Scrum, SDLC, and basic web & IT skills

ABOUT ME

Quality Engineering Tester and BSIT graduate with practical experience validating, breaking, and improving software through manual and automation testing. Strong in debugging issues, designing test cases and scripts, and working side-by-side with developers in Agile teams. Hands-on with Jira, Git, Selenium, and Cypress, backed by a solid understanding of SDLC and quality-driven development.

WORK EXPERIENCE

SOFTWARE QUALITY ASSURANCE ENGINEER

Accenture | June 2025 - December 2025

- Designed and executed manual and automated test cases based on functional requirements and acceptance criteria
- Identified, debugged, and documented defects with clear steps to reproduce, expected vs actual results, and supporting evidence
- Test Planning, Test Case, Test Execution, Defect Reporting, User Acceptance Testing (UAT), Documentation.
- Collaborated closely with developers to verify fixes, perform regression testing, and reduce defect leakage
- Participated in Agile ceremonies including daily stand-ups, sprint planning, and retrospectives
- Assisted in test planning and ensured coverage across positive, negative, and edge test scenarios

GRAPHIC DESIGNER

Tongits Master | April 2024 - April 2025

- Designed UI/UX assets including HUDs, menus, icons, and game interfaces
- Collaborated with developers and designers to align visuals with gameplay requirements
- Created textures, concept art, and visual elements using Adobe Photoshop and Figma
- Demonstrated strong attention to detail, creativity, and ability to work under tight deadlines

IT SUPPORT

Municipality of Las Piñas | January – March 2025

- Provided technical support and troubleshooting for hardware, software, and Windows OS issues
- Assisted with basic networking, user account support, and Active Directory (basic)
- Logged and tracked incidents using ticketing systems, ensuring timely resolution
- Delivered remote and on-site support with strong customer service and documentation
